

APPENDIX

The following ordinances and resolutions are no longer of general interest, primarily because they are of an historical or one-time nature only, the provisions of which were primarily completed directly after enactment. Because the enactments are mainly of an historical or administrative interest, it has not been considered necessary to include the entire text. Rather, the enactments are arranged in groups, according to subject matter, and, within each group, listed by title in chronological order. Annual budget and tax enactments have been listed only in the "Key to Disposition of Ordinances." Anyone desiring to read the full text of any of these enactments may do so by consulting the original records of the municipality.

The enactments included in this Appendix are grouped under the following headings:

- A Annexation of Territory
- B Bond Issues and Loans
- C Franchises and Services
