**PUBLIC PARTICIPATION**

William Thomas addressed the Officer about the speeding on 33<sup>rd</sup> Avenue and not stopping for stop signs. They even cut through the car wash to keep from stopping for the stop signs. Summer is coming and there is going to be an accident waiting to happen with the small children in the neighborhood. He also questioned the Fire Chief about all the Fire Departments in the county getting grants and Pulaski is never mentioned. Chief Hickey stated that there is one forthcoming in a week or two for about \$10,000.00.

His next question was for Mrs. Griffith about the two trailers on 47<sup>th</sup> Street that were condemned. Why are they still there? He then asked the Chairman, George Hage, about the hill going down to New Brighton and why isn't anything done. Mr. Hage informed him that the township has been notified that work is supposed to start this month and hopefully finished by the end of June.

Mr. McCullough was present and questioned why nothing is done about the speeding on 46<sup>th</sup> and 47<sup>th</sup> Street. It is getting to be ridiculous, and, no one stops for stop signs. His car has been vandalized in the last two weeks.
