There was no new business to conduct. Mr. Margetic did however announce that Pulaski Township will be getting a Web site in the very near future. The Supervisors are getting all the information together now and they picked the home page picture today.

### **PUBLIC PARTICIPATION**

Mrs. Shirley Campbell wants to know if the pipe going on 46<sup>th</sup> Street to help the water situation at Everly's is going to go all the way down to the end of 46<sup>th</sup> Street. Her yard gets flooded when it rains. The pipe won't help her situation because the supervisors already checked it out and she needs to have topsoil put in her yard, because it sits lower than any other property on the street. She also inquired as to what can be done because the house across the street from her needs painted and windows. Her final question was why were they getting rid of the recreation board. Mr. Margetic said that the lease agreement on the pool expired and that the school is taking over the Sunrise Pool. There will still be a Recreation Commission.
