PUBLIC PARTICIPATION

Mr. Thomas has as question for Peggy, he called her and left message and got no return call, he states the double house on 3201 - 46th Street has been sold and there was a lot of garbage left behind. Peggy states that she has cited them for rubbish, she is not sure where Tri-Community comes into play? New Brighton adopted the Tri-Community which citations can be given. Pulaski and Daugherty have not adopted the Tri- Community. Peggy states the Tri-Community is not working out like it was intended, some people comply, some do not. Mr. Thomas also asked about the grass around Ross Automotive which has not been cut, Peggy will give to Holly to send citation. Lastly from Mr. Thomas is directed at the Supervisors, he would like to know the verdict on the double wide variance meeting which was held almost a month ago. Mr. Zachodni informed him that the outcome of the zoning board in handled by Attorney Martucci, we do not handle that in the township. The verdict is sent to all involved by Attorney Martucci. The township has not received anything yet. The secretary will call Attorney Budicak to ask if he has heard anything? Mrs. Deb Hickman states she was asked by a member of the Hovancik family if something can be done about the feral cats on 43rd Street? They would like them to be removed, Mr. Hovancik health is not well, and they do not want him coming up to feed them, if they are gone then he will stop. Ms. Hickman is also requesting a stop sign be placed at the corner of 31st Avenue & 47th Street, she states if traveling east on 47th Street cars always run the stop sign she is suggesting it be made a 3 way stop. There are a lot of families with small children who walk, and she doesn't want anything to happen. The gentleman on the corner does park his trailer which is also obstructing the view.
